VIVID LIGHT GEOMETRY

“HOW DOES THE VIVID LIGHT GEOMETRY WORK”

CHANNELING FROM THE LIGHT-GEOMETRY GROUP DÜSSELDORF

The knowledge of the **LIGHT GEOMETRY** is a very ancient one. It was already known to early cultures (e.g. Atlantis) on Earth and has been practised intensively.

The **LIGHT GEOMETRY** works “via” the effect of geometrical archetypes (Ball, Cube, Tetrahedron, Octahedron) in connection with light projections. Herewith **VIVID STRUCTURES** develop that encourage people very much in their process of transformation and elevation.

The practice of the **VIVID LIGHT GEOMETRY** is nowadays being transmitted by the Being of Sirius.

The **LIGHT GEOMETRY** activates inner human processes and decodes the memory of ancient knowledge.

The **LIGHT GEOMETRY** influences expansively the energies of dissolution that change the consciousness and it activates the whole Aura.

High vibrations can easily be anchored – vibes that respond to the **CORE**.

The **CORE ENERGY** is accelerated, activated and connected with higher aspects of consciousness.

This leads to a major **EXPANSION OF CONSCIOUSNESS**, which sets free fallow potentials of the soul.

It is very quickly understood, that **EVERYTHING IS ENERGY** and how energy works.

It opens up for mental growth and prepares for the **TRANSFER INTO A NEW DIMENSION.**

The work with **LIGHT GEOMETRY** prepares the human field of energy for the change into new dimensions. The energies are being prepared and adjusted beforehand.

It is the aim of the **LIGHT GEOMETRY** to ease the process of elevation and to balance the body through a higher frequency of consciousness and harmonize a field of energy that is out of balance.

Everybody who works with the light geometry personally benefits enormously.

**LIGHT GEOMETRY CREATES COLLECTIVE ENERGY FIELDS
