### CRYSTALS OF LOVE THE ANDROMEDA ENERGY AND LIGHT FLOW©

#### HERAKLIMUS

As you begin to understand what it means to fully build up the **LIGHT BODY OF ANDROMEDA**, you will begin to elevate to multidimensional beings. You will be lead in spheres of consciousness that you were not aware of until now. This is one of the most important processes of development of mankind in decades to come, not to say in the entire **EVOLUTION**.

A human being with a fully developed **TEN DIMENSIONAL BODY OF LIGHT** will be a sensitively spiritual, highly vibrating being that is in no way attached to lower vibrating areas of frequency. We praise your will, encourage you to go on, to grow beyond your limits for you to develop into a **TEN DIMENSIONAL** vibrating **MULTIDIMENSIONAL HUMAN BEING**.

It is important to realize that all those that have brought the **ENERGY AND LIGHT FLOW** to move – the so called **FIRST WAVE** - should become the all carrying energy! They **HOLD THE FREQUENCY** and prepare the space on the morphogenetic field for the new **ADEPT** of the next wave to come.

The **ENERGY AND LIGHT FLOW** as it is presently available to us is only a simple preliminary stage, the "**COARSE MATRIX**" of a truly immense project. It is comparable with an educational system – kindergarten, preschool, higher education, universal studies, doctoral dissertation, up to **PROFESSORSHIP**! Your human intellect is not at least able to understand the dimension of what it really means. Although it is not yet necessarily understandable to you right now intellectually, it does have a higher meaning why the **ENERGY AND LIGHT FLOW** has been transmitted exactly the way it has been transmitted now.

The **ENERGY AND LIGHT FLOW** is a "magnetic field" with a clear structure that is being built in and around the body. It is important to learn to hold this **MAGNETIC STRUCTURE** inside the body.

It is also important to install the **MAGNETIC STRUCTURE** in the field of energy in order to **BECOME** one as well. Due to that one **IS** a **CRYSTAL** – one is this **MAGNETIC STRUCTURE** with all the **POINTS OF ENERGY AND LIGHT**. In the body these **POINTS OF ENERGY AND LIGHT** are located exactly there where you either find the points of acupuncture or where meridians run through.

The **NEXT LEVEL** of work with the **ENERGY AND LIGHT FLOW** teaches you to put the so called **FREQUENCY AMPLIFIER** on the **POINTS OF ENERGY AND LIGHT** and to install **SPIRALS OF RELIEF**. These are extraordinarily important for the setup of the **NEXT LEVEL**.

The development of the **TEN DIMENSIONAL CRYSTALLINE BODY OF LIGHT** enables the cell frequency of the body to elevate itself out of the thickness and heaviness of the three dimensional area of frequency into higher levels of vibration. It helps the physical body to hold and integrate the constant elevations of frequency of the planetary energies of ascension.
