WORKSHOP

MACHU PICCHU – EASTER ISLANDS OCTOBER 2008

THE AWAKENING OF THE CONSCIOUSNESS OF THE MONOLITH

INFORMATION FROM A PERSONAL CHANNELING
WITH INGRID KEMINER

ST. GERMAIN – CHANNELING FROM FEBRUARY 20TH, 2008

MACHU PICCHU is a PLACE OF ENERGY with a very high frequency and it is wonderful that fields of energy are already being opened in preparation to the trip to the EASTER ISLANDS. The major aim of the trip though is the work with the CONSCIOUSNESS OF THE MONOLITH of the EASTER ISLANDS.

A small group of highly motivated people will gather for this work on the EASTER ISLAND and – in preparation – you will work on the THEMES OF ABUSE OF POWER during your trip to MACHU PICCHU. This is like an “ENTRÉE” for the further work to come.

The MACHU PICCHU is one of the MAIN ENERGETIC ENTRANCES for cosmic energy on this planet and it is, deep inside the Earth, connected with many different PLACES OF ENERGY – such as the HALEAKALA in Hawaii, the KAILASH in the Himalaya, the MOUNT SHASTA in California, the UNTERSBERG in Austria, the MOUNTAIN SINAI in Israel, the FUJIYAMA in Japan and the CORCOVADO in Brasilia. Furthermore there are huge FIELDS OF ENERGY in the CAUCASIAN REGION, in CENTRAL ASIA, in CHINA and, not to forget, the POINTS OF ENTRANCE IN THE POLE, ALASKA. Alaska will play a very important role in the time to come – the HARMONIZATION of the whole RETICULE will take place from here on.

Further information about the work with the CONSCIOUSNESS OF THE MONOLITH on the EASTER ISLANDS will further on be given by a SUPERIOR INSTITUTION - a Master of Light- who is specialized on the FREQUENCIES OF RETICULE of the NEW EARTH.

OSIRA OMAH – CHANNELING FROM FEBRUARY 20TH, 2008

OSIRA OMAH is present, we are the **MASTERS OF THE SOLAR SYSTEM** of your **GENUINE CENTRAL SUN** and we're here to give you further information about the **AWAKENING OF THE MONOLITHS** of this planet.

As already mentioned, the **MONOLITHS** are so called "**PLACE – TIME – STATIONS**" of ex planetary consciousness. They were sealed at a very early stage of your history of human kind when it could be foreseen that the frequency of the planet would visibly drop in the centuries to come.

The **SEALING** of the fields of Energy though caused an even stronger drop of the frequency of the Planet and the "**DARK TIME**" could then, as it was foreseen in the "**CREATOR'S PRINCIPLE**", achieve a major superiority.

Now the principle of the whole "**CONCENTRATION OF THE MATTER**" has fulfilled itself and time has come for the planet to transfer to a **NEW AGE**. This means that all **WAYS OF FREQUENCY** that hold the **RETICULE** – a **NETWORK** – over the entire planet, want to be activated and put into motion in this **TIME OF TRANSITION** to the **NEW AGE**. We, the **MASTERS** of the **SOLAR SYSTEM**, are, so to say, the **HIGHEST INSTITUTION** of this activation.

A **HIGHLY MOTIVATED GROUP** has now gathered and this group will grow in the future as we already work with **SOUL POTENTIAL** that has the assignment to encourage this work. The cross linkage of these **FALLOW** or **SEALED "POINTS OF SYNAPSES"** of the Planet will also be connected with the individual **TRANSFER OF CONSCIOUSNESS** of every individual that works on the connection.

The **EASTER ISLANDS** were, at the beginning of the history of Mankind, a **SYSTEM OF ISLANDS** that was connected to each other – so one can call them "**EASTER ISLANDS**". As the surface of the planet has changed, the major parts of this **SYSTEM OF ISLANDS** have sunk into the depth of the sea. In this depth, these sunken parts, lies a **MYSTERY** of the History of Mankind.

In the future, when your **PLANETARY BODY OF ENERGY** or your **MATERIAL BODY** shows the changes, parts of this sunken **SYSTEM OF ISLANDS** will reappear on the surface and huge **TEMPLE ARRANGEMENTS** from the very early time of the history of Mankind will be discovered.

G A L A C T I C N E T W O R K

We tell you this today to call your attention so that you can focus your consciousness on these **FIELDS OF ENERGY** lying **UNDER THE WATER** and begin working with them.

The **MONOLITHS** of the **EASTER ISLANDS** – the so called “**STONES**” – as you visualize them with your human perception or your human eye, are fields of consciousness that **HOLD ENERGY** until the **WAYS OF FREQUENCY** to the **ARCHAIC FIELDS OF CONSCIOUSNESS** that lie beyond the previously mentioned huge **TEMPLE ARRANGEMENTS** can be opened again. These are so called “**PLACE HOLDER**”. This means that once the work with the **MONOLITHS** has started, the adequate **FREQUENCY IMPULS** can be given to activate the entire system that lies under the water. This means that **IMPULSES OF ENERGY** are being sent into all seas via the **WATER CARRIED INFORMATION**.

So all the **TEMPLE ARRANGEMENTS** that lie in the depths of all oceans of your earth, that have partly been discovered but that could not be assigned, as well as **TEMPLE ARRANGEMENTS** that have not been discovered yet, can be provided with an **ACTIVATING IMPULS**.

You will realize that this is a very important task and the entire focus should lie on the **MIND-EXPANDING WORK**. Beforehand you will again open **FIELDS OF CLARIFICATION**. The **MACHU PICCHU** is a great **BEING** that holds open a very special **PORTAL OF STARS** and we use this quite often to give the planet impulses to change the consciousness.

This theme is extremely complex and it is at this point not possible for us to transmit the whole spectrum of knowledge. You will, from now on, continuously be led into this work.

OSIRA OMAH is present.
